Lariettes

I'm at a loss for words on how to express my gratitude for every single one of you. We were designed to come together this year to achieve miracles, and not only on the dance floor. You showed up and stepped up at every opportunity. You rose to every occasion. You flourished in the face of adversity... and that my children is where character is built.

I am so proud of you both as a mommy and as your director.

Sophomores- The joy you bring to my world is unmatched. The next couple of years is going to be a kick with all of you! Thank you for taking the plunge and being part of our Ohana because you make it complete!

Juniors- What an amazing time we've had so far, and it's still not over yet. Your silliness, humor, work ethic, drive, creativity, and determination has us set us up for a heck of a year next year and I'm here for it!!

Seniors- What can I say. The past 7 years has given me nothing but joy, pride, fulfillment, and maybe a few grey hairs along the way. From Polly Ryon to GR, I couldn't have done this without you guys next to me every step of the way. You have been my constants and are some of the most incredible human beings this world has to offer. Though you won't be my babies for much longer, just always remember, you are worthy. You are strong. You are meant to do hard things. You're never too old to call your mom. And live the life your born to live.

All my love and aloha,
Mama Suey

My sweet Baby Belles!!! This year, you all have taught me that growth doesn't always have to be a difficult process. That no matter what's going on around you, you can always find the humor in the chaos.

God blessed me with this special gift of watching you grow up right in front of my eyes. I am so proud of each and every one of you. From your kind hearts to your persistent work ethic, you have all come so far and I can't wait to see what He has in store for us next year!

*All my love and aloha,
Mama Suey*
